

RecPASS Offers Unlimited Fitness Fun

Published: January 10, 2020

Whether you are a team player, cardio enthusiast, or overall sports fan, our Department of Recreation, Parks, and Tourism has an activity or program to satisfy your fitness needs. You can enjoy drop-in activities such as basketball, volleyball, pickleball, table tennis, and open swim without having to travel far from home—which means more time on the field or in the pool. To simplify your sports experience, the Department of Recreation, Parks, and Tourism is now offering the Charles County RecPASS, a new annual membership program.

RecPASS is an annual membership that allows for unlimited visits to any drop-in programs at school-based community centers, the Port Tobacco Recreation Center, and Elite Gymnastics and Recreation Center. A pool membership may be added for unlimited use of a Charles County Recreation Division operated aquatic facility, during open swim hours.

With a RecPASS membership, you no longer have to worry about having cash on-hand for drop-in activities or programs. Each RecPASS member will receive a key fob when purchasing a membership, which will be linked to the Recreation Division's

registration software. At each visit, the key fob will be scanned for admission, bringing up your photo and electronically signing you in.

The RecPASS can be purchased as an individual, couple, or family pass. Pricing begins at \$50 for youth, teens, and seniors, and \$100 for adults. You may purchase your RecPASS membership at the main Department of Recreation, Parks, and Tourism office (8190 Port Tobacco Rd, Port Tobacco), at any of our school-based community centers, indoor pools, or the Elite Gymnastics and Recreation Center.

Drop-in activities and program offerings vary based on location. Participants without a RecPASS membership can pay a daily drop-in fee or purchase a 10-visit punch-cards to take part in their desired drop-in program. RecPASS is not valid for instructor-led classes, such as water aerobics, dance classes, swim lessons, or instructional sports programs.
